Hiring Manager

Springfield-Oasis Schools, Lafia

Dear Hiring Manager,

I am writing to express my interest in the teaching opportunities advertised for Springfield-Oasis Schools, Lafia. I am a graduate of Federal University Lafia (B.Sc. (ED) in Special Education (Audiology)) with over three years' professional experience across educational and healthcare settings, including a teaching role at Special School, Gombe. My background combines classroom instruction, individualized student support, strong organizational skills, and experience managing confidential records — all of which prepare me to make a positive contribution to your team.

As a Special Education Teacher at Special School, Gombe, I planned and delivered differentiated lessons, developed individualized learning plans, and collaborated closely with parents and colleagues to support students' progress. My role as an Audiology Technician at Special School, Lafia and at the National Ear Care Centre, Kaduna, strengthened my ability to assess needs, maintain accurate records, and communicate clearly with students, families, and professionals. I also gained strong reporting and data-collection experience working as an Enumerator with UNICEF and administrative and scheduling experience while serving as Secretary at EMANI.

I am proficient in Microsoft Office and Google Workspace, comfortable using educational technologies, and practiced in managing classroom logistics, lesson preparation, and student assessments. I am patient, adaptable, and committed to fostering a safe, inclusive, and motivating learning environment. I am also available to begin work immediately and welcome the residential arrangement associated with this role.

Thank you for considering my application. I would welcome the opportunity to discuss how my experience and approach to teaching can support Springfield-Oasis Schools' mission to inspire excellence in education.

Yours sincerely,

Alheri Nyalen Ayuba
